

Director of Internal Audit and Compliance

The SC Retirement System Investment Commission is recruiting for Dir. of Internal Audit and Compliance for a diverse \$26 billion dollar pension fund. The RSIC manages a complex and diversified portfolio that includes traditional as well as alternative asset classes. Alternative asset classes used include private equity, private debt, private real estate, hedge funds, global asset allocation and opportunistic credit. The RSIC gains access to these asset classes through traditional means as well as through several strategic partnerships. This is a new role that reports directly to the Audit Committee that will determine the scope of activities for the Internal Audit and Compliance functions and building framework for managing risks across the Commission's operations. A Master's degree in business, finance, accounting, IT, or a MBA with 10 yrs, 5 of which in a supervisory role, in financial services audit or controls or compliance related field. Designation as a CPA, CIA or CISA. Apply online at <http://www.ohr.sc.gov/OHR/OHR-scinvestment.phtm> Recruitment closes March 2, 2012.
